PROVIDENCE COLLEGE | STUDENT HEALTH CENTER

Health Record Checklist:

☐ I completed the College health form.

☐ I provided a recent physical exam (EMR acceptable) dated after March 1, 2022

☐ I provided up to date immunizations required by the RIDOH (EMR acceptable).

☐ I completed and signed the TB questionnaire.

☐ I supplied a copy of the front and back of my insurance card.

☐ I have checked to see what my private insurance company will cover in Rhode Island.

☐ I am aware that there is no charge to be seen in Health Services; however, lab services, prescriptions and referrals off campus are my responsibility.

☐ I am aware that per the Rhode Island Department of Health, students who have not submitted documentation for the required immunizations and TB questionnaire will NOT be permitted on campus. This policy is strictly enforced by the College.

Thank you,

Health Center Staff

THIS IS FOR YOUR RECORDS.
PLEASE DO NOT RETURN WITH HEALTH FORM.

TUBERCULOSIS (TB) SCREENING FORM – STUDENT and PROVIDER'S signatures required.
To help us determine if you need to have a TB (Tuberculosis) skin test before coming to Providence College, you must answer the following questions and provide your signature/appropriate documentation at the end of the section.

1. Were you born in one of the following areas: Africa, Asia, Philippines, Indonesia, Eastern Europe, Latin America, Mexico, Portugal, Caribbean, or the Middle East?	YES ☐ NO ☐
2. Have you lived in or had extensive travel to a high prevalence area (listed above)?	YES ☐ NO ☐
3. Have you worked or lived in a potentially high risk setting such as a prison, a long term care facility, a homeless shelter, a residential facility for persons with HIV/AIDS or a drug treatment center?	YES ☐ NO ☐
4. Have you had recent close or prolonged contact with someone with infectious TB?	YES ☐ NO ☐
5. Do you or anyone living in your household have a history of intravenous or other street drug use, or HIV infection/AIDS?	YES ☐ NO ☐
6. Have you ever had a documented positive TB skin test or history of active TB infection?	YES ☐ NO ☐

If you answered No to all of the above questions (1 – 6), no further testing or further action is required. Please sign below, and send this form with your immunization record to Health Services.

If you answered Yes to any of the first 5 questions and No to question 6, then you are required to have a PPD skin test or TB blood test (IGRA, TB Quantiferon Gold, TB-spot) within 6 months prior to the start of classes. The PPD skin test or IGRA must be performed in the U.S. Please sign below and have your provider document the results of your testing.

International students will need to have a PPD skin test or TB blood test (IGRA, TB Quantiferon Gold, TB-spot) within 1 month of the start of classes. The PPD skin test or IGRA must be performed in the U.S. Please sign below and have your provider document the results of your testing.

If you answered Yes to question 6, then you do not need to be retested, but must provide documentation of a negative chest x-ray done in the U.S (within 6 months prior to the start of classes), and documentation of any medication and treatment for your positive TB test. Please include documentation with this form and sign form below.

Student Signature:_____ ***Date:***_____

TB (TUBERCULIN) SKIN TEST: Must be performed in the U.S. *(International students who are unable to have the test done in the U.S., will need an IGRA blood test at Health Services within 1 month of starting at Providence College.)*

Date TB Skin Test Given: _____
